

# The Packing Shed Limited

## Franklin's Internet Service Provider

The Packing Shed Limited can offer a full range of Internet services from dial-up to broadband Internet connections.

The Packing Shed is an authorised .nz registrar and can register domain names in the .nz name space.

The Packing Shed is able to offer high speed, always-on, ADSL Broadband service.

The broadband service gives you a very fast connection to the Internet that will simultaneously allow you to use your phone.

All Packing Shed ADSL plans have the download speed set at the Maximum speed possible for your phone line. This can be up to 7Mbits/sec.
